The initial 14-week program will fund 40 full scholarships — estimated at $1,200 per student — along with testing fees and uniforms for students.

News Archives - JEMS
The FASEB Journal publishes international,
transdisciplinary research covering all fields of biology at every level of organization: atomic, molecular, cell, tissue, organ, organismic and population. While the journal strives to include research that cuts across the biological sciences, it also considers submissions that lie within one field, but may have implications for other fields as well.
James Johnston Pettigrew (July 4, 1828 – July 17, 1863) was an American author, lawyer, and soldier. He served in the army of the Confederate States of America, fighting in the 1862 Peninsula Campaign and played a prominent role in the Battle of Gettysburg. Despite starting the Gettysburg
Campaign commanding a brigade, Pettigrew took over command of his division after the division's original ...
